

Gift Shop Transformation

The old museum gift shop has been re-modeled and now features our Hall of Fame inductee plaques, which we feel enhances their presentation, access, and visibility. The room has been named in honor of Ms. Ella Walker, a very special lady and Hall of Fame inductee. Although we no longer have a gift shop, merchandise bearing the museum logo will now be available for sale with discounts for members. Items include, hats, jackets, tee shirts, wind shirts, silk touch shirts, mini-bats, magnets, key chains, baseballs, and ink pens.
