

## **ESBF Hall of Fame Induction Banquet**

**On Saturday November 17, the Eastern Shore Baseball Foundation hosted close to 200 people for the annual Hall of Fame induction banquet at the VFW in Delmar. After a confusing month of losing our reservation due to bad scheduling, The VFW did an outstanding job of providing a good meal of beef and dumplings, chicken, and mashed potatoes and beans. Deserts included cakes donated by Lana Green and Beverly Smoot along with some brownies by the VFW. The induction ceremony followed a presentation of our new web site and Chris Bitters of the Shorebirds delivered our keynote address. All inductees were represented by guests and received a replica of the HOF plaque, a Governor's Citation, and a Hall of Fame induction baseball cap. A list of this year's inductees can be found in the "Hall of Fame Inductees" section of this website.**
